

Premier Red Aluminum Oxide Dri-Lube Resin Paper Grip-On

Features

- Premium, P-graded, heat-treated aluminum oxide abrasive
- Red-colored, B-weight, fiber-reinforced, latex-impregnated, paper backing
- Advanced bond system
- Special undyed stearate oversize
- Hook and loop fastening system

Benefits

- 30% to 50% faster cut rate
- Uniform scratch pattern
- Superior resistance to delamination and tearing
- Improved grain adhesion
- Industry's longest disc life
- No pigment transfer
- Superior load resistance
- Easy application and removal
- Cooler cutting action

Ultimate choice for feathering paints, primers and body fillers.

**FINEST
SANDPAPER
IS NOW
FINER!**

800 to 1500 grits now have the most advanced abrasive and bond system on a super smooth backing for fast cut, long life and a great finish that's easy to buff out.

Premier Red Zirconia Alumina Resin Paper Grip-On

Features

- Premium zirconia alumina abrasive
- Full phenolic resin bond system plus latex
- Red colored, E-weight latex paper backing
- Hook and loop fastening system

Benefits

- Faster removal rates
- Extended life
- Maximum durability plus flexibility
- Excellent grain adhesion
- Reduced edge shed
- Greater flexibility
- Easy application and removal
- Can be re-used

Ultimate choice for blending and shaping all types of body fillers, bare metal and welds, as well as stripping paint.

Carbo White Lightning Aluminum Oxide Dri-Lube Resin Paper Grip-On

Features

- P-graded premium oxide aluminum oxide abrasive
- Special undyed water-based stearate
- Durable B-weight backing
- Hook and loop fastening system

Benefits

- Fast cut and long life
- Consistent finish
- No pigment transfer
- Excellent load resistance
- High tear resistance
- Flexible and conformable
- Easy application and removal
- Can be re-used

Carbo Gold Aluminum Oxide Dri-Lube Resin Paper Grip-On

Features

- P-graded aluminum oxide abrasive
- Special undyed stearate oversize
- Durable C-weight backing
- Resin bond
- Hook and loop fastening system

Benefits

- Fast cut and long life
- No pigment transfer
- Excellent load resistance
- High tear resistance
- Increased life, reduced loading and reduced edge wear
- Easy application and removal
- Cooler cutting action

Ideal for feathering paints, primers and body fillers.

Vacuum Grip-On Discs

Premier Red Aluminum Oxide Dri-Lube Resin Paper Vacuum Grip-On

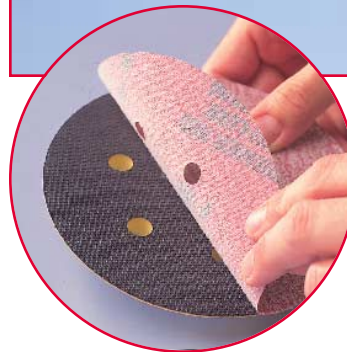

Features

- Premium, P-graded, heat-treated aluminum oxide abrasive
- Red-colored, B-weight, fiber-reinforced, latex-impregnated paper backing
- Advanced bond system
- Special undyed stearate oversize
- Hook and loop fastening system
- Vacuum holes

Benefits

- 30% to 50% faster cut rate
- Uniform scratch pattern
- Superior resistance to delamination and tearing
- Improved grain adhesion
- No pigment transfer
- Superior load resistance
- Easy application and removal
- Cooler cutting action
- Dust free sanding environment

Ultimate choice for feathering paints, primers and body fillers.
