

Filter Service Rolls

Air Filter Media

- 1" fiberglass media in a dispenser carton
- For furnaces and central air conditioning systems requiring a hammock style filter pad

Easy to Service Multiple Units

Pull the desired length of media from the carton and cut with scissors. Service a number of units from a single, easy to transport carton containing 20 feet of media. Select from five roll widths.

Protect Coils from Dirt Build Up

The media is coated with a light application of adhesive to hold dirt particles on the fibers. Trapped particles do not become dislodged and return to the air stream.

Models	Sizes
AFS-46-24	24" x 20'
AFS-46-28	28" x 20'
AFS-46-30	30" x 20'
AFS-46-36	36" x 20'
AFS-46-40	40" x 20'

Filter Service Rolls are packaged one roll per carton
