

Its name is **SATA** - SATA® jet 3000™

# *License For The Future*

Jet 3000 HVLP

## Jetstream:

- New nozzle concept improvement for much higher, precise color matching and even material distribution
- Wide, even fan pattern for greater working speed
- Perfect for basecoat and clearcoat applications
- Superior surface quality for lustrous finishes
- Unsurpassed material atomization
- Ensures superb finish results

## Countdown: VOC-Compliant Equipment

- Suitable for any waterborne and solvent-based material
- Complies with VOC regulations - with regard to solvent reduction and material savings – environment friendly
- Transfer efficiency rate greater than 65 %
- Low overspray
- Make the switch to waterborne by switching to SATAjet 3000

## Radiance Fever: A Gleaming Gun for Brilliant Results

- Totally chrome-plated paint spray gun
- Wear-resistant Chrome retains its value
- Corrosion proof Chrome for waterborne materials
- Visually and technically Chrome is as valuable as gold
- Chrome is easy to clean and visually appealing

# FOCUS ON THE FUTURE: SATAjet 3000

## Chrome Finger: The Perfect Extension of your Own Hand

- Fully balanced with state-of-art-design
- Perfect ergonomics with optimized center of gravity with less trigger for fatigue-free work
- Easy to handle and operate means problem-free results
- CCS - for marking and individual personalization

## One Name - Two Systems. Choose your Weapon:

**SATAjet 3000 HVLP:**  
• The SUPER SAVER

**SATAjet 3000 RP™:**  
• The SUPERFAST ONE

**DigitalEye:**  
• Now you've got a grip on pressure, for precise color match (optional DIGITAL feature)

Or as DIGITAL with SATA adam accessory:

- Digital pressure gauge for standard spray gun version

**SATA RPS Disposable Cup System:**

- For painting, refilling and storing
- Fewer components, for fast, easy and safe handling

# SATAjet 3000

## Designed for the Future:

- Top class premium technology "Made in Germany"
- Easy clean and service
  - Chrome-plated gun body
  - Replaceable air distribution ring
- Self-adjusting packings
- Low-noise spray fan
- QCC, patented closure for rapid, clean cup replacement
- Safety due to quality check: piece by piece
- Controls operated with one hand only: Fan control for right and left handed persons (conversion kit for left-handed use Order No. 134049 optional)

- Perfectly suitable for the use with SATA RPS disposable cups

- Top-notch quality is just not enough – we also guarantee it: 3-year warranty!
- No chance for copycats: SATA authentication label

**THE ENHANCEMENT OF A PREMIUM CLASS PRODUCT**
